

— OUR FOUNDATION —

is rooted in our heritage.

OUR FOUNDATION

will help lead us

into the future.

In December 2014, the SAME Board of Direction approved a motion to establish a National Foundation that would build upon the success of the Education & Mentoring Fund and enable a broad range of individuals and organizations who desire to leave a legacy in support of military engineering and our nation's future. The SAME Foundation is now a reality.

Together, let us honor Vietnam veterans.

The SAME Foundation is establishing a Professional Development Scholarship Program to support the professional growth and development of America's next generation of military, government civilian, and A/E/C industry leaders—with the inaugural fundraising opportunity in honor of those who served our nation during the Vietnam War.

America's future is bright. Let's help make it brighter.

Contributions to the Professional Development Scholarship Program in honor of Vietnam veterans are currently being accepted.
